NORTHERN EXPLORER WITH SYDNEY STAY

DAY 10 – CROWN PRINCESS®, NEWCASTLE

In 1770, Captain James Cook christened Nobbys Headland on his journey north along the Australian coast. European settlement of Newcastle, however, began 17 years later, when Lt. John Shortland sailed up a fine, broad river while searching for escaped convicts. Shortland named the stream the Hunter River after Australia's then Governor-General. During that short voyage, the lieutenant also discovered vast deposits of coal. In 1804, the burgeoning mining settlement and lumber port was christened Newcastle after the famed English coal city. Newcastle, Australia, also served as a gateway to the rich lands of the Hunter Valley - a region producing internationally acclaimed wines by the mid-19th century.

Christ Church Cathedral is the symbol of Newcastle. The restored church has survived both devastating earthquake and Japanese attack. In 1942, the Japanese submarine I-21 surfaced to shell the city and its dockyards. (B,L,D)

DAY 11 – CROWN PRINCESS®, BRISBANE

Brisbane, the capital of Queensland, located in the Sunshine State, boasts of having over 280 days of sunshine per year. Brisbane is known for its laid-back and friendly atmosphere, sophisticated art galleries and museums, beautiful botanic gardens, and Moreton Bay. The Brisbane River, which flows through the city, gives you great access to both north and south via the famous CityCats. (B,L,D)

Airlie Beach is your gateway to the Whitsunday Archipelago. These 74 islands feature pristine fringing reefs, calm, lagoon-like waters, and superb beaches. The archipelago is one of Australia's premier playgrounds.

The Whitsundays were once mountains. Rising seas at the end of the Ice Age formed the Whitsunday Passage between the islands and the mainland. (B,L,D)
